

## **NEWS RELEASE**

### **DYNAMIC CONSTRUCTION SERVICES OPENS NEW FACILITY IN THE EAGLE FORD SHALE.**

**Gonzales, Texas – April 15<sup>th</sup>, 2014** - Dynamic Construction Services (DCS), a DYNESI Company, announced today that their Technical Division opened its new facility in Gonzales, Texas on April 2, 2014. A grand opening was held at the facility in which leaders of the community and customers attended, including: Bobby Logan - Mayor of Gonzales, Allen Barnes -City Manager, Nathan Neuse – Economic Development Council Board President, Daisy Scheske - Gonzales Chamber of Commerce, and many members of the EDC board. DCS Technical Division was also presented with a Certificate of Special Recognition for "outstanding and invaluable service to the community" by the office of US Congressman, Blake Farenthold. The Gonzales Fire Department arrived and officially opened the facility with a Flag Raising Ceremony. During the festivities, DCS presented Fire Chief, Tracey Normand, with a ZOLL AED Defibrillator, a donation to the Fire Department.

Matt Oubre, COO of Dynamic Construction Services said, *“We are extremely excited to expand our business in the Eagle Ford and bring this state of the art facility to Gonzales. Our Technical Division will be providing Automation, Instrumentation and Electrical, Power Generation, Fire and Safety, H2S Safety Services and a specialty Control Panel shop to our clients in the region.”*

Recently awarded with the inaugural STEER award for safety, Matt Oubre continued, *“We are recognized in the Eagle Ford with experience and expertise in these crafts, as well as having a renowned safety program that leaders in the industry awarded. We will continue to exceed expectations with our excellence in safety and the execution that our clients have come to expect from Dynamic Construction Services, Technical Division.”*

Dynamic Construction Services (DCS) is a leading fabrication and service provider to the Global Oil, Gas and Energy Industries.
