## NEWS RELEASE

### **Dynamic Industries, Inc., a Dynamic Energy Services International Company was awarded a contract for a Deck Extension LP Piping and Support.**

**Lafayette, Louisiana – June 30, 2014** – Dynamic Industries, Inc., a leading fabrication and service provider to the Global Oil, Gas and Energy Industries, announced today that it was awarded a contract for the fabrication of Deck Extension LP Piping and Supports.

Jeff Clement, EVP & COO *Dynamic Industries, Inc. US Fabrication Division* added, *"We are pleased to continue to support this major U.S GOM client with repeat order business for pipe fabrication. Dynamic's reputation for high quality work and ability to immediately respond to quick turnaround orders such as these continues to position us well with our E&P clients, not only for our core business fabrication but also that of a trusted pipe fabricator"*

#### **About Dynamic Industries, Inc.**

Founded in 1985 as an offshore service company, Dynamic Industries, Inc. ([www.dynamicind.com](http://www.dynamicind.com)), is a major fabricator and a leading brownfield, hook-up and commissioning contractor in the Gulf of Mexico, West Africa, the Caribbean Basin, and, upon the opening of our new location in second half of 2013, Saudi Arabia. Headquartered in New Orleans, LA, Dynamic provides fully integrated EPCIM services globally to the upstream and downstream markets.
