

## **NEWS RELEASE**

### ***LQT Industries, LLC Awarded 5 New Construction Projects***

**Broussard, Louisiana, USA – July 22, 2014 - *LQT Industries***, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has recently been awarded new construction projects from five (5) clients in the oil and gas industry. The projects will be built at *LQT's* construction facility in Abbeville, LA and completed in 2014.

Many of these buildings will be constructed and certified to USCG/ABS and DNV specifications and will be utilized on floating platforms and vessels in the Gulf of Mexico and in the North Sea.

*LQT's* new construction division in Abbeville, LA specializes in designing and fabricating various types of buildings including motor control center (MCC) buildings, modular accommodation facilities, and support buildings. In order to support ongoing growth in the new construction sector, *LQT* is expanding in-house fabrication capabilities in Abbeville that include a second indoor fabrication facility.

#### ***About LQT Industries, LLC***
