

## **NEWS RELEASE**

### ***LQT Industries, LLC Provides an 11- Building Accommodation Package and Helideck for an Oil and Gas Platform in the Gulf of Mexico.***

**Broussard, Louisiana, USA – March 26, 2014 – *LQT Industries, LLC***, a provider of high quality accommodation buildings to the oil and gas industry, has provided an 11-aluminum building package and a helideck to be installed on a fixed platform in the Gulf of Mexico.

The aluminum building package supplies a major oil and gas company with accommodations for 68 personnel along with support facilities including a galley, laundry/change room, office, smoke room, and a recreation room. Each modular section weighs approximately 15,000 pounds and can provide a significant reduction in weight over many comparable fiberglass and steel buildings. *LQT* is also providing a helideck which will be located on top of building package to reduce space consumption on the fixed platform.

#### **About *LQT Industries, LLC***

*LQT Industries, LLC*, located along the Gulf Coast, designs, manufactures, and refurbishes accommodation facilities and rents construction equipment for oilfield, emergency response, and remote workforce applications. By striving to provide the highest quality products and services, *LQT* has become a leader in providing accommodations and equipment for the oil and gas industry worldwide.
