

... a DYNESISM Company

FOR IMMEDIATE RELEASE:

Dynamic Industries International LLC, a Dynamic Energy Services International Company, receives Contract Award in Angola.

Houston, TX – May, 2015 - Dynamic Industries International LLC. (Dynamic), a full service brownfield construction, fabricator, hook-up and commissioning contractor to the global offshore oil and gas industries, announced the receipt of commercial authorization to begin a project in Angola, Africa. As part of the project Statement of Work, Dynamic Angola Contractors (DAC) will fabricate piping spools for a client's Produced Water Upgrade Project.

Roger Westerlind, Executive Vice President and Chief Marketing Officer of Dynamic said, "*We are particularly excited about this opportunity to expand our working relationship with this client, as we continue to expand our presence in this region.*"

About Dynamic Industries International LLC

Dynamic Industries International LLC provides expansive and integrated full-service fabrication, construction, and maintenance services to the offshore worldwide markets. It is a division of Dynamic Energy Services International, LLC (DYNESI), a major fabricator and a leading brownfield, hook-up and commissioning contractor in the Gulf of Mexico, West Africa, South America, and the Middle East.
