

## **NEWS RELEASE**

### ***LQT Industries, LLC Awarded Contract for the Construction of E-House, Accommodations, and Work Station for Platform in Trinidad***

**Broussard, Louisiana, USA – August 27, 2015 - *LQT Industries, LLC***, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has been awarded a contract for the construction of an E-House, a temporary living quarters building, and a work station for use on a platform offshore of Trinidad.

The steel modules will be fabricated and outfitted at *LQT's* Construction Facility in Abbeville, LA, which specializes in designing and fabricating various types of modular structures including MCC buildings, accommodation buildings, and subarctic facilities. This project is one of the largest project awards for *LQT* this year and highlights *LQT's* growing international presence. *LQT* has started engineering for the project and construction is scheduled to be completed by the end of 2015.

#### ***About LQT Industries, LLC***

*LQT Industries, LLC*, located along the Gulf Coast, designs, manufactures, and refurbishes accommodation facilities, specialty buildings, MCC buildings and also rents construction equipment for oilfield, emergency response, and remote workforce applications.
