LQT Industries, LLC Successfully Delivers and Commissions E-House Offshore Venezuela

Broussard, Louisiana, USA – August 20, 2015 - *LQT Industries, LLC*, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has delivered and commissioned the first of three (3) fully automated E-Houses for a major oil and gas field offshore of Venezuela.

LQT provided an offshore commissioning team for the final integration of the facility to the operator's requirements and specifications. *LQT* engineered and built the E-Houses which contain switchgear, motor control centers, battery systems and associated chargers, and owner-provided automation and support systems.

LQT anticipates the final two (2) E-Houses will be integrated and fully commissioned in the fourth (4th) quarter of 2015 and first (1st) quarter of 2016.
