LQT Industries, LLC Expands Services with Fire and Safety Division

Broussard, Louisiana, USA – September 9, 2015 - *LQT Industries, LLC*, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has added a Fire and Safety Division which provides fire and safety solutions for the energy industry.

The Fire and Safety Division will expand *LQT*'s capabilities to provide design, inspection, procurement, maintenance, and commissioning of fire and safety services to the offshore and onshore oil and gas market. The Fire and Safety Management Team has over 85 years of combined experience. The division is comprised of 18 professionals with extensive knowledge and expertise coupled with long-term vendor relationships.

“Fire and Safety is a natural fit for *LQT* and complements our world class services and solutions we provide to our customers,” said Lonny Gaspard, *LQT*'s Fire and Safety Division Manager. “Eliminating the outsourcing of these services will save our customers time and cost and ensure unprecedented fully integrated customer service and quality they expect from our organization. We have received positive responses from our customers regarding the addition and have already developed new projects with *LQT*.”
