LQT Industries, LLC Awarded Contract for MCC Buildings

Broussard, Louisiana, USA – September 15, 2015 - *LQT Industries*, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has been awarded project for the fabrication and integration of multiple MCC buildings and ancillary building for the Port of Fourchon northern expansion.

Fabrication and integration will be conducted at *LQT's* construction facility in Abbeville, LA, which specializes in designing and fabricating various types of modular structures including MCC buildings, accommodation buildings, and subarctic facilities. The project is scheduled to be completed in the fourth (4th) quarter of 2015.

About LQT Industries, LLC

LQT Industries, LLC, located along the Gulf Coast, designs, manufactures, and refurbishes buildings for applications such as Accommodations, Motor Control Buildings (MCC's), E-Houses, and many specialty building applications. *LQT* also rents construction equipment for oilfield, emergency response, and remote workforce applications. By striving to provide the highest quality products and services, *LQT* has become a leader in providing accommodations and equipment for the oil and gas industry worldwide.
