

... division of Dynamic Industries Inc.,
a DYNESI™ Company

FOR IMMEDIATE RELEASE:

Dynamic Construction Services, a Dynamic Energy Services International Division, awarded a contract for fabrication, offshore construction and scaffolding services in the Gulf of Mexico.

Houston, Texas, November 2015 - Dynamic Industries, Inc., a leading fabrication and service provider to the global Oil, Gas and Energy industries, announced that its specialty craft division, Dynamic Construction Services (DCS), has been awarded a key contract to provide fabrication, offshore construction and scaffolding services as part of a program to upgrade existing drilling rigs in the Gulf of Mexico.

Matt Oubre, DCS President, said; *“Dynamic greatly appreciates this award, the opportunity to be a part of this important program, and the opportunity to extend its service’s with this key international client.”*

About Dynamic Construction Services

Dynamic Construction Services (DCS) is a full service Construction Division of Dynamic Industries, Inc. - providing light fabrication, site construction and maintenance, and specialty craft services for offshore and onshore projects. DCS provides a broad variety of complementary services either stand alone or bundled into a turnkey offering, such as structural, piping, electrical & instrumentation, automation, fire & safety, blasting & coating, insulation, scaffolding, and project staffing services.

About Dynamic Industries, Inc.

Dynamic Industries, Inc. was founded in 1985 as an offshore services company, specializing in interconnecting pipe fabrication, associated pipe installation, and commissioning & offshore maintenance services. Through a change of ownership in 1998 Dynamic quickly grew to become one of the premier hook up & commissioning contractors in the Gulf of Mexico. Today Dynamic has expanded its services and footprint globally and now operates in West Africa, Mexico, Caribbean, South America and the Middle East.
