LQT Industries Provides Aluminum Accommodations to Four (4) Production Companies

Broussard, Louisiana, USA – January 28, 2016 - *LQT Industries, LLC*, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, provides accommodation packages to four (4) oil and gas production companies in the Gulf of Mexico.

The accommodation packages include *LQT's* newly redesigned 12 Man Sleeper and support buildings. *LQT's* design provides a larger and more comfortable living area for occupants and is equipped with features to optimize energy efficiency.

“LQT continues to expand its aluminum accommodation fleet to meet demand,” said Peter Reeves, *LQT's* New Construction Manager. *“The industry has responded well to our modern building design as it supplies our customers with a lightweight, versatile, and low maintenance solution.”*

About LQT Industries, LLC

LQT Industries, LLC, located along the Gulf Coast, designs, manufactures, and refurbishes buildings for applications such as Accommodations, Motor Control Buildings (MCC's), E-Houses, and many specialty building applications. *LQT* also rents construction equipment and provides fire and safety services for oilfield, emergency response, and remote workforce applications. By striving to provide the highest quality products and services, *LQT* has become a leader in providing accommodations and equipment for the oil and gas industry worldwide.
