LQT Industries Wins Contracts from International Drilling Company

Broussard, Louisiana, USA – January 14, 2016 - LQT Industries, LLC, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has been awarded multiple contracts to provide Fire and Safety services for a drilling company located in Asia.

LQT's Fire and Safety Division's initial release of work includes refurbishment, upgrades, and installation of all fire and gas detection systems, foam suppression systems, and safety equipment throughout a drilling rig. All systems will comply with SOLAS and ABS regulations.

"LQT continues to expand its international presence with projects currently ongoing in the Middle East and Malaysia." said Lonny Gaspard, *LQT's* Fire and Safety Division Manager. *"This is a positive start to the new year for our group. We are excited to gain new customers in this market and very appreciative of the opportunity to provide continuing services and expertise to this customer."*

About LQT Industries, LLC

LQT Industries, LLC, located along the Gulf Coast, designs, manufactures, and refurbishes buildings for applications such as Accommodations, Motor Control Buildings (MCC's), E-Houses, and many specialty building applications. *LQT* also rents construction equipment and provides fire and safety services for oilfield, emergency response, and remote workforce applications. By striving to provide the highest quality products and services, *LQT* has become a leader in providing accommodations and equipment for the oil and gas industry worldwide.
