LQT Industries Delivers Aluminum Accommodation Packages

Broussard, Louisiana, USA – May 24, 2016 - *LQT Industries, LLC*, a full-service provider of high quality accommodation facilities, design-build construction services, and support services to the oil and gas industry, has delivered accommodation packages to three (3) offshore platforms.

The packages will house approximately 72 personnel to support operations on offshore platforms in the Gulf of Mexico. The facilities consist of aluminum modular buildings that are stacked to conserve space on the platform and also interconnect to maximize accessibility throughout the facility.

LQT's aluminum accommodations provide a lightweight and low maintenance solution. The high quality of construction, various building types, and the unique advantage of aluminum makes *LQT* an industry leader.

About LQT Industries, LLC

LQT Industries, LLC, located along the Gulf Coast, designs, manufactures, and refurbishes buildings for applications such as Accommodations, Motor Control Buildings (MCC's), E-Houses, and many specialty building applications. *LQT* also rents construction equipment and provides fire and safety services for oilfield, emergency response, and remote workforce applications. By striving to provide the highest quality products and services, *LQT* has become a leader in providing accommodations and equipment for the oil and gas industry worldwide.
